Protocol Title: Assessing health, livelihoods, ecosystem services and poverty alleviation in populous deltas

Principal Investigator's name: Dr. Peter Kim Streatfield **Organization:** CPUCC, icddr,b

Assalamu Alaikum. I/we on behalf of icddr,b Dhaka, have come to collect information for a research project under the caption "Assessing health, livelihoods, ecosystem services and poverty alleviation in populous deltas".

Objective and Background of the research:

The research objective is to know about how the services provided by nature in the form of agriculture and fisheries benefit the people of the populous deltas. Your HH is selected for this survey so you are invited to participate in this survey.

Rules and Procedure [what is expected of the participants of the survey]

- We will ask you questions related to poverty, family expenditure, food expenses, relationship with place, about benefits, migration, nutrition, health
- To know about the nutrition level, weight and height will be measured
- If you have children aged more than 1 and less than 5 years then his/her weight and height will be measured
- Blood pressure will be checked to find out whether you have high blood pressure or not

Benefits & Harms:

Measuring blood pressure, height and weight will cause you no harm. It will take 8-10 minutes. If you feel any discomfort at any stage you can ask us to stop.

Confidentiality and Anonymity

We are under oath to keep all information provided by you, your name and identity strictly confidential. Nobody shall have access to these information except the research team members.

Right of exercising the will to participate or not and that of stopping the interview at any stage:

The right of giving or not giving the interview solely depends on you. You can stop giving the interview any time you wish without showing any reasons. If you have any questions you can ask me or contact the number given below. If you agree to include yourself in our research, put a signature or your thumb impression here.
