

# *Working towards a more Sustainable Food System for Greater Manchester*

Greater Manchester  
**Land Army**

We are...

MANCHESTER  
**Veg people**

Keeping it fresh, organic & local

We work  
with local  
growers  
to bring  
you fresh  
organic veg  
that you can  
trust, and  
this is why...

We are...

MANCHESTER  
**Veg people**

Keeping it fresh, organic & local

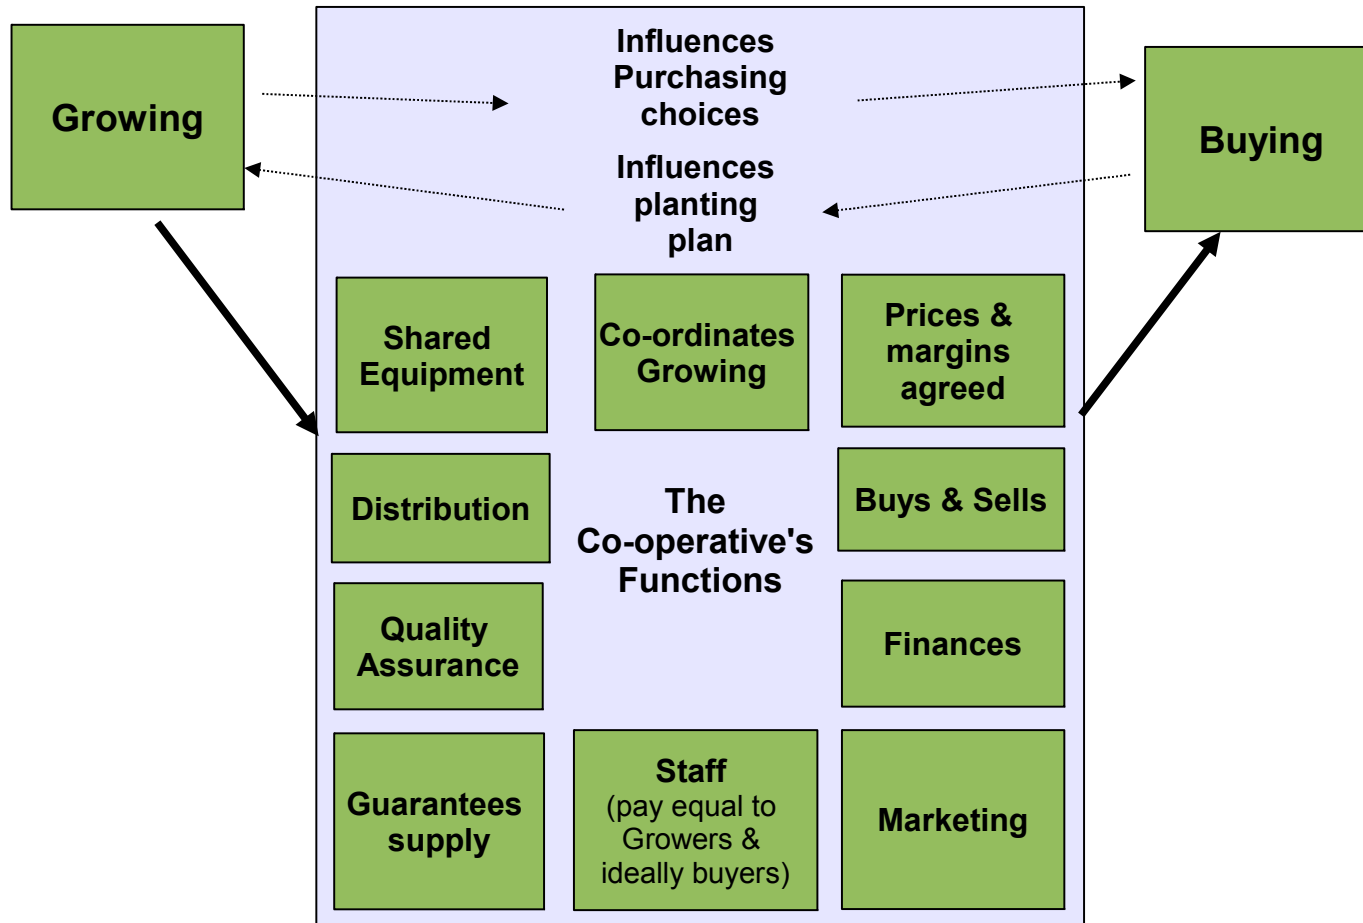

Being part of Manchester Veg People means that we are members of a co-operative. We get to meet local growers and chat with them about what crops they can grow for us, what's in season and most importantly the grower gets a fair price for their produce. You are eating fair trade local produce at its best!
