When do you think you would start to feel uncomfortable about the number of people from ethnic minorities living in Britain? Would it be when people from ethnic minorities made up roughly . . . ?

[Only asked to respondents who felt that if the number of people from ethnic minorities increases they might feel uncomfortable at some point; n=473]

More than three quarters (over 75%) of all people in Britain
 Three quarters of all people (75%) in Britain
 Two thirds of all people (66%) in Britain
 Half of all people (50%) in Britain
 One in every four people (25%) in Britain
 One in every six people (17%) in Britain
 One in every ten people (10%) in Britain
 One in every twenty people (5%) in Britain
 One in every fifty people (2%) in Britain
 One in every hundred people (1%) in Britain
 Fewer than one in every hundred people (less than 1%) in Britain
 I am uncomfortable with any people from ethnic minorities living in Britain
