

Upper Marsyangdi A Project Site
Bhulbhule VDC, Lamjung, Nepal

Interviewer Name: _____ **Respondent No:** _____

Location: _____ Gender: M [] F [] Age (yrs): _____ Education: _____

Caste/ethnicity: _____ Family size: (Persons)

Anyone absent: Y / N

If yes, fill this table:

Reason	No	Duration of absence		Notes
		<6 months	6 months+	
Seasonal labor				
Education				
Staying with family elsewhere				
Starting own household				
Others (specify)				

A. Livelihood assets at present

1. **Employment:** what is the employment level amongst your household members?

Job	Rank*	No	Full or part-time		Any remarks
			full	Person-day/yr	
a. Own agriculture					
b. Agriculture- share cropping					
c. Business					
d. Public service					
e. School teacher					
f. Private sector job					
g. Labour- village					
h. Labour- foreign employment					
i. Other (specify)					

* RANK: highest earning 1 and lowest 5

2. How much is the **annual income** of your family (in NPR)?

a. > 200,000 () b. 100,000-200,000 () c. 50,000- 100,000 () d. <50,000 ()

3. Do you sell **any produce from domestic** production?

a. Agriculture produce: Y/N If Y, what/quantity?

b. Other produce: (what/quantity?)

4. What is the **type of house**? (tick as appropriate)

Construction: RCC structure () Stone/wall () Mud () Thatch ()
Other (specify):

Roof structure: RCC () GI sheet () Thatch grass () Stone ()
Other (specify):

5. Do you have your **household toilet**? Y / N

6. What are the **sources of energy** and use?

S.N.	Energy used	Order (top 1, 2..)	Use	Change in the past five years*
1	Firewood			
2	LPG gas			
3	Kerosene			
4	Electricity			
5	Biogas			
6	Others (specify)			

*Note: Change: I- increased, D- decreased U- unchanged/same

7. **Family possessions**- Do you have the following at home?

- a. Television- Yes () No ()
- b. Radio- Yes () No ()
- c. Refrigerator- Yes () No ()
- d. Landline telephone Yes () No ()
- e. Mobile phone Yes () No () if yes, how many?

8. **School and education**, and distance

- a. Nearest High school – walking distance (minutes):
- b. Nearest primary school- walking distance (minutes):
- c. Number of children in school:
- d. Number of HH members in college/University:

9. **Health service facility** and distance

- a. Nearest health post – walking distance (minutes)
- b. Nearest health centre- walking distance (minutes)
- c. Nearest hospital- walking time (minutes): and bus distance (minutes):
- d. Does your family has access to mid-wife services? Y / N

10. Water and its availability

DRINKING WATER

- a. Do you have tapped water? Y / N If yes, at home () or common ()
- b. If No above, source:..... Distance (minutes):

IRRIGATION

- c. How much of your land is irrigated? percent
- d. Mode of irrigation? Canal (...) Natural stream (...) Other ()
- e. Number of months irrigation is available?
- f. Crops raised from irrigation?

11. Land-holding: What is your land-holding (in Ropani)?

Khet (irrigated)..... Bari (unirrigated)..... Other land ()

12. Do you practice share-cropping? Y(....) N(....) If Yes (fill below)

- a. Rent out, in Ropani: Khet (....) Bari (....) Other (....)
- b. Rent-in, in Ropani: Khet (....) Bari (....) Other (....)

13. Livestock holding of the family (in number):

- a. Buffalo:
- b. Cow/ox:
- c. Goat:
- d. Sheep:
- e. Pig:
- f. Poultry:
- g. Others (specify)

14. Forest resources and use:

- a. Do you have private forest? Y / N If yes, How much ropani:.....
- b. Do you have community forest?
- c. Do you collect forest produce from national forest?
- d. Per cent of forest produce collection from different forest types (table below)

Forest produce	% of produce collection/dependence			Notes
	Private forest	Community forest	National forest	
a. Timber				
b. Fuelwood				
c. Fodder				
d. Leaf litter				
e. Thatch grass				
f. Medicinal plants				
g. Other (name)				

15. Grazing land available to your household
 Approx. area in Ropani distance (minute) from house:
 How is it regulated? Open-access (....) community-controlled (...)

16. **Association in community and other organizations:** What are Community –based organization of which you are a part?

Community/other Organization	Your Role	Period (years)

17. Do you **get any support from community organizations/associations/family networks?**

Community Organization	Available support	
Cooperatives?		
Family networks		

18. **Financial services:** what financial services (loans, grants, deposits etc) do you receive from any of the institutions?

Financial Institution	Does it exist? Y/N	Services you receive	How
a. Bank			
b. Agri Cooperative			
c. Finance Coop			
d. User groups?			
e. Family networks			
f. ...			
g. ...			

B. Change of Livelihoods assets after project introduction

19. What has been the change in the following after the introduction of the project

Livelihood assets	Change Y/N	Changes after project introduction (use extra notes)
a. Employment		
b. Income level		
c. Sale of agriculture and other produce		
d. House type		
e. Energy source		
f. Family possessions		
g. School and education		
h. Health services		
i. Water- irrigation and drinking water		
j. Land holding size		
k. Share cropping		
l. Livestock holding		
m. Forest resource availability and use		
n. Grazing area & access		
o. Association in community organizations		
p. Support from community based organization		
q. Financial services		

C. Impacts of the Upper Marsyangdi A Project

20. What are the **overall positive and negative impacts** from the project (first listing, and then ranking)

Positive Impacts	Rank (1,)	Negative impacts	Rank

[Use notes for more listing, or for description of impacts]

21. Who benefits from the project in the village? **Who gains and who loses out?**

a. Households/individuals/Groups that Benefit most from the project or due to the project

Individual/Group	How / Why

b. Households /Individuals/Groups that lose from the project or due to the project

Individual/Groups	How / Why

D. Household level Impact from the project

22. Has the Grazing area reduced?

Reason:

By how much has the grazing area reduced?

- a) Half b) more than half c) less than half (
 if possible, quantify the area of grazing area before and after the project impact

23. Has the project caused any physical damage to your house or property? Y(...) N(...)

If yes, what are the damages caused?

- a. Cracks in houses Y(...) N(...) when?
 b. Cracks in animal shed Y(...) N(...) when?
 c. Crack in other (specify)
 d. How many cracks?

S.N	Length of cracks	Depth of cracks	Width

(take photos and use Notes for additional information on cracks)

- e. Level of risk to your household due to crack–
 • Insignificant
 • moderate
 • severe
 f. What will you do in the future?

24. What are other damages caused by the project (e.g., house collapse, describe)

25. Have you been **displaced (resettled)** by the impacts due to project? Y(...) N(...)

- a. Do you feel you will require resettlement due to the project? Y(...) N(...)
 b. Have you made any such demand? Y(...) N(...)

26. Are you disturbed by the **noise/sound**?

Sound of project vehicles	Sound of Blasting	Both

- a. When is the blasting done? Night (....) day (....)both (....)
- b. Do you think that the blasting is done more than required? Y(...) N(...)
- c. Are you pre informed before blasting? Y(...) N(...)
- d. What are the impacts due to noise?
.....
- e. Have you complained to the authorities regarding this? Y(...) N(...)
- f. What is their response?
.....

27. Have you been affected by dust/mud caused due to project vehicles/dust? Y(...) N(...)

If Yes, how has Dust affected on the following?

Sectors	Impacts (diseases, irritation, allergy, etc)
Health	
Agricultural crops	

- a. How often do the project authorities sprinkle water on the road?
a) Daily b) Sometimes c) Never
- b. Are you affected in rainy season due to muddy road condition by the project vehicles?
a) Yes b) No

28. Have you observed any change in river course due to project construction? Y(...) N(...)

- a. If yes, what are its impact on your household?

29. Has your household received any **compensation** for any damage from the project?

Damage from the project	Compensation Y/N	How much	Reasons for getting or not getting the compensation Or project response*

*Use notes, as relevant

30. Has anyone in your family employed in the project? Y/N If yes, person-day per year:
 a. How significant is this in overall employment? High (...) Moderate (...) Low (...)
 b. Earning from this, per year: NPR

31. Has any employment been generated by the project for your family, beyond direct employment? Y/N If yes, annual income from this: NPR

E. Your participation in claims-making and resistance against the project

32. Provide the following regarding your participation in claims-making and resistance on the project

Cause/Reason	Your activity/event	When	Details

Use additional notes

33. Any other message?

Thank you.
