Consent Form

“Coarticulation and tongue differentiation in children between three and thirteen years old” (7-11-year-olds)

I have read and understood the information sheet and this consent form. I have had an opportunity to ask questions about my child’s participation.

I understand that my child is under no obligation to take part in this study.

I understand that my child has the right to withdraw from this study at any stage without giving any reason.

I agree for my child to participate in this study and to have my child’s audio and visual data used for analysis, reports and presentations within this and future research projects.

Name of participant: _____

Your child’s age (years, months): _____

Signature of participant’s parent/carer: _____

Signature of researcher: _____

Date: _____

Contact details of the researcher

Name of researcher: Dr Natalia Zharkova

Address: Clinical Audiology, Speech and Language Research Centre
Queen Margaret University
Queen Margaret University Drive, Musselburgh, EH21 6UU
