

CONSENT FORM FOR PROJECT PARTICIPANTS

PROJECT TITLE: Differences in magnocellular and parvocellular functioning in synaesthetes

Project Approval Reference:

I agree to take part in the above University of Sussex research project. I have had the project explained to me and I have read and understood the Information Sheet, which I may keep for records. I understand that agreeing to take part means that I am willing to:

- Take part in a computer-based experiment, requiring me to make typed responses to a range of on-screen stimuli

I understand that my participation is voluntary, that I can choose not to participate in part or all of the project, and that I can withdraw at any stage of the project without being penalised or disadvantaged in any way.

I consent to the processing of my personal information for the purposes of this research study. I understand that such information will be treated as strictly confidential and handled in accordance with the Data Protection Act 1998.
