

INTERVIEW 2 – YOUR EVERYDAY ROUTINES

The aim of the interview is to get to know the participants everyday routines in relation to the built environment – and how this has changed since the near completion of Town 1.

Explanation for the participant:

Thank you for agreeing to take part in this interview. This second interview explores your everyday routines and use of urban space. Review the consent form with the participant (will have already signed prior to the first interview); reiterate that the conversation will be confidential and anonymous].

Everyday routines

Log in to Google Maps and show the participant how you will make a map of their own experiences of Lavasa. You can start recording and then help them to orientate themselves with the map, often this reveals interesting points about their spatial mobility. You might need to switch between a map version and aerial photo to help them with this.

- **Please show me where you live [GREEN]**
- **Please show me where you like to go [YELLOW]**
 - o Who do you go to these places with?
 - o How often do you go?
 - o What do you do there?
 - o Why is this somewhere you like to go?
- **Please mark on the map where you get your food / water from [BLUE]**
 - o How do you get there? (car / foot / bike)
 - o What is your reason for this choice of transport?
 - o How often do you go here?
- **Please mark on the map where you spend time with family or friends [ORANGE]**
 - o How do you get there? (car / foot / bike)
 - o How often do you go to these places?
- **Please highlight on the map your school / as well as your previous school (PINK)**
 - o How do you get there?
 - o How often do you come to this area when you are not at school? Do you come here with your parents – explore the answer.
- **Is there anywhere else you like to go?**
 - o Please mark them on the map

Zoom in on different areas of the development and ask the following questions – mark anything significant on the map

- **The promenade** (How do you get there? Who do you go with? How does this space make you feel? How often do you go there?) [Is there anything you would like to mark on the map?]

- **Town Hall** (How do you get there? Who do you go with? How does this space make you feel? How often do you go there?)
- **Covered market** (How do you get there? Who do you go with? How does this space make you feel? How often do you go there?)
- **Dam** (How do you get there? Who do you go with? How does this space make you feel? How often do you go there?)
- **Play park** (How do you get there? Who do you go with? How does this space make you feel? How often do you go there?) What do you think of the location? The equipment? Do you play here? What do they think? Any improvements?

For those who have talked about walking / cycling / bus being the most frequent mode of transport:

- How easy is this area to navigate by walking (from school to home)? Would you say it is pedestrian friendly? What aspects of the design make it feel this way?
- Would you say more people walk / cycle or travel by car in this community?
- What might encourage people to use their cars less?

Access, safety and risk

- **Which areas do you feel the most safe / most comfortable / why? [GREEN POLYGON]**
 - o Do you think this development is generally a safe place? What are your reasons for this? How does it compare to when there was no development here?
- **Are there any areas you avoid if possible / unsafe?** Can you identify these on the map? What is your reason for wanting to avoid these / this area(s)? [Explore perception vs. experience] [BROWN]
 - o Are there any areas you feel unwelcome? Where? In what way?
 - o Is there anything that could be done to make you feel more comfortable / safe in these areas?
- **Are you allowed to play outside? What boundaries or rules do your parents / yourself set in this regard?** (Explore boundaries and negotiations; age and gender) [Try marking on map]
- What are your feelings about how this new place looks? Have you ever seen somewhere like this before? Has your family seen somewhere like this before?
- **Is there anything you really like? [Mark on the map]**
- Is there anything you don't like? Is there anything wrong with it or missing?
- How has your home and village been included in the development?
- Have you or your family been involved in any part of the design of this new town?
- Have any of your family members worked on the building of this new town?
- What is it like to live in a place that is not finished? Does this have an impact on your everyday routes and routes? How / examples?
