

ANNEXE 2: Experimental Manipulations:

Series 3: One Plus One Experiments

MANIPULATION

1. First Object Placed:
Screen then raised

2. Second Object
Placed Behind
Raised Screen

3. Correct Test Trial:
Two objects present when
screen is lowered

OUTCOME

EXP 9. Existence/Number Violation
Added object absent

EXP 10. Existence/Number Violation
Original object absent

EXP 11. Location Violation (Added Object)
Original object in correct location,
added object in wrong location

EXP 12. Location Violation (Original Object)
Added object in correct location,
original object in wrong location

EXP 13. Identity Violation (Added Object)
Added object identity change

EXP 14. Identity Violation (Original Object)
Original object identity change

Series 3: One Plus One Experiments Screen First Variations

MANIPULATION

1. Empty Stage: Screen lowered

2. Screen Raised

3. First Object Placed Behind Raised Screen

4. Second Object Placed Behind Raised Screen

5. Correct Test Trial:
Two objects present when screen
is lowered

OUTCOME

EXP 15. Existence/Number Violation
Added object absent

EXP 16. Existence/Number Violation
Original object absent

EXP 17. Location Violation (Added Object)
Original object in correct location,
added object in wrong location

EXP 18. Identity Violation (Added Object)
Added object identity change

Series 4: Two Minus One Experiments

MANIPULATION

OUTCOME

EXP 19. Existence/Number Violation
Both objects in original locations

EXP 20. Existence/Number Violation
Two objects present but location of removed object is empty

EXP 21. Location Violation
Number correct but occupying location of removed object

EXP 22. Location Violation
Number correct but wrong location

EXP 23. Identity Violation
Correct location, different identity
