Fieldworker name: \_\_\_\_\_

School: \_\_\_\_\_

Date: \_\_\_\_\_

Time of starting observations: \_\_\_\_\_

Time of ending observations: \_\_\_\_\_

*Dear Researcher,*

*The school observation schedule is required to contextualize the data received at this research site. Please complete all the questions and make comments in the boxes that you think may be relevant to discuss and analyse.*

**Section 1: School Building**

1.1 With the permission of the principal, take photos of the following:

- ☐ The school building
- ☐ A classroom
- ☐ The school hall
- ☐ The office
- ☐ The playgrounds
- ☐ The toilets
- ☐ The fences
- ☐ The library, computer and science labs

1.2 Please write or short description of the school and the sections listed above, especially if you did not get permission to take photos.

## Section 2: Learner to Learner interactions

*Observe the students while they are interacting with each other during their break.*

2.1 Please describe the interactions between the learners (who sits and talks with whom, what they are doing and how they interact?)

### **Section 3: Teacher to Learner interactions**

*Observe the teachers and learners interactions at the school.*

3.1 Please describe the manner in which the teachers interact with the learners and the learners' responses.

### **Section 3: Teacher to Teacher interactions**

*Observe the ways in which the teachers interactions with each other at the school.*

3.1 Please describe the manner in which the teachers interact with each other.

**The End**
