Q2. There are many factors that determine future outcomes in life, and it is often difficult to predict what will happen to you tomorrow, next week, or in a year from now. An example is ones finances, which may deteriorate as a result of for example dropping housing prices. This is why, for most people, unpredictability and lack of control are essential parts of their financial situation. You can never know for sure what your financial future will look like.

Please try to come up with 3 reasons why the fact that your financial future is uncontrollable and unpredictable.
