

# Informed Consent Form for children/young people taking part in Research Studies

Please complete this form after you have read the Information Sheet and/or listened to an explanation about the research.

Title of Project: **Speech masking effects in speech communication across the lifespan**

This study has been approved by the UCL Research Ethics Committee [Project ID number: 0534/005]

Thank you for your interest in this research project. Before we can start, we need to be sure you understand what it is about and that you are happy to take part. You should read the information sheet, and you should have a chat with the researcher when you meet her at Chandler House. If you have any more questions after you have read the information leaflet, she will be happy to answer them. You will be given a copy of this Consent Form to keep.

## Participant's Statement

I .....

agree that I:

- have read the notes written above and the Information Sheet, and understand what the study involves;
- understand that if I don't want to take part anymore, I can change my mind at any time, I just need to tell the researcher;
- agree that my address, name and questionnaire will be kept at UCL for this research project. I know that only people working on the project will have access to it.
- Agree that this research project named above has been explained to me in a way that I could understand, and I agree to take part.
