Yes No

1. Taking part in the study

I have read and understood the study information dated 17/07/2019, or it has been read to me. I have been able to ask questions about the study and my questions have been answered to my satisfaction.

I consent voluntarily to be a participant in this study and understand that I can refuse to answer questions and I can withdraw from the study at any time, without having to give a reason and without penalty.

I understand that taking part in the study involves **performing a work task (transcribing text), playing a lottery and answering a few questions about my age, gender, education and employment history.**

I understand that the study will take approximately 90 minutes and that I am free to leave at any time if I no longer wish to participate.

I understand that for my participation I will receive a show up fee of £10 plus experimental earnings of between £10 and £50.

2. Use of the information in the study

I understand that information I provide will be used for aggregate statistical analyses, the results of which will be published in a report and in scientific papers. Neither myself nor any of my individual answers will be identified in any of the publications.

I understand that personal information collected about me that can identify me, such

as my name or where I live, will not be shared beyond the principal investigator and will be destroyed at the end of the study.

3. Future use and reuse of the information by others

I give permission for the anonymized experimental data that I provide to be deposited in the UK Data Service so it can be used for future research and learning.

4. Signatures
