---

Dear <name>,

I am a DPhil (PhD) candidate at the University of Oxford's Department of Politics and International Relations. I am researching the political impact of dual nationality and I am specifically interested in extra-territorial naturalisations within <country>. Your opinion and thoughts on my topic would be of great value to my research and it would be a privilege to be able to interview you. I will be in <town, country> between <dates> on a fieldwork trip to interview politicians and legislators involved with my topic of interest. Would you be able available to meet me at any point during this period? The interview should last approximately one hour.

If you have any questions about my research then please feel free to contact me using the details listed below.

Thank you very much in advance.

Kind regards,

Sam Wrighton BA MSc

ESRC funded DPhil Candidate in International Relations  
Department of Politics and International Relations
