Sponsor:

Project title: *Sonic Enhancement of Virtual Exhibits - Data*

The following files have been archived:

File name	File description (Short description of content, sample size, format, any linking between different types of data, i.e. survey and interviews/focus groups)
Data collection methodology.pdf	A brief description of our data collection methodology.
Experiment_data_neurocuration.zip	The raw data collected during our experiments. This file contains a series of Excel (.csv) files named 'experiment_data_%ID.csv'. Each .csv file contains individual events that occurred in the experiment in individual rows. Individual column headings describe the data collected in each event, while individual cells record the stimuli presented to participants or their responses.
Soundscapes.zip	A zipped collection of soundscapes played to participants in .mp3 format.
