

## DELIVERING NET ZERO RESEARCH STUDY 2020-2021

Funded by UKRI. Lead Investigator: John Barrett, University of Leeds

### WORKSHOP PARTICIPANTS CONSENT FORM

I confirm that I have read and understood the requirements for participating in this study as outlined in the invitation letter and participant information sheet, including the need for confidentiality. I consent for my data to be stored for research purposes. I understand that anonymised data will be used during and for writing up the project by the DNZ Project Team and that personally identifiable data will be destroyed five years after the end of the study.

☐

(Please tick)

I understand that whilst the research data will be anonymised, I may still be identifiable due to my role and status and I have an option to contribute 'on record' to the research, subject to my final approval. *Please tick if you would be willing to do this.*

☐

(Please tick)

I confirm that my participation in the research project is voluntary. I understand that I can withdraw up to two weeks after each workshop in which I have participated has taken place (i.e. before analysis) and my data would be removed. However, it may not be possible to remove data from previous rounds if it had contributed to a core theme in the research.

☐

(Please tick)

I consent to being audio/video recorded during the workshops. I understand that audio recordings will be stored securely and destroyed five years after the end of the study. Video recordings will be used for summary analysis and transcription purposes and will be destroyed once transcription has been completed. No identifying information will be included in the transcription of the recordings.

☐

(Please tick)

We will only retain your identifiable personal information for as long as necessary to fulfil the purposes we collected it for and will not share it with any other parties. We may then retain your data in anonymised or pseudonymised format indefinitely after the end of the study solely for academic purposes by accredited research teams.
