

Consent Form (dated 20-04-2021)

Please initial or tick boxes

1. I confirm that I have read and understood the Participant Information Sheet, dated 20-04-2021, explaining the research project and that I have the opportunity to ask questions about the project.
2. I understand that my participation is voluntary and that I am free to withdraw at any time without giving any reason and without there being any negative consequences. In addition, should I not wish to answer any particular question or questions, I am free to decline.
3. I agree to my participation in the session being audio and/or video recorded, only for transcription and analysis purposes. I understand that I will be given the opportunity to check the anonymised transcript prior to commencement of the analysis.
4. I give permission for members of the research team to include fully anonymised information from the interviews in research outputs. I understand there is always a chance that I could be identified.
5. I give permission for video and audio recordings to be stored securely during the life of the project, but I understand that they will be destroyed at the end of the project.
6. I give permission for anonymised transcripts to be stored in a data archive upon completion of the project, in line with Research Council UK guidance.
7. I agree for the anonymised data collected from me to be used in future research by the research team.
8. I agree to take part in the above research project.

To confirm your consent you may either:

- (i) sign and date the form below and return to the researchers, or
- (ii) confirm your consent on the basis set out above, by email to the researchers.
