

Transition into new adult setting after school

Social worker – semi-structured interview in-person or online or via Microsoft Form

1. What did you think about the 'I am...' video of [student's name] that you saw as part of supporting his transition to an adult setting?
2. Did the inclusion of the video make any difference to your thinking about [student's name]? For example, the right type of placement for him?
3. What are your thoughts about using this kind of approach in transition or person-centred meetings or planning in the future?
4. From your point of view, how would we know if this transition tool is successful?
5. Is there anything else you'd like to feedback?
