

**Transition into new adult setting after school****Parents – semi-structured interview (online or in person)**

1. First, can you please briefly say who you are in relation to [student's name]?
2. And can you explain how you have been involved in the development of [student's name] Digital Story?
3. What were your initial thoughts or expectations about the Digital Story and whether it could support [student's name] transition beyond school?
  - a. Prompts: typical challenges or difficulties? Ways of overcoming these (i.e. what is needed to support transitions)?
4. Through the process of creating the Story, what did you feel worked well?
5. And what was challenging?
6. Having seen the completed Story, what is your impression of whether / how this type of method could be helpful in supporting transitions?
  - a. Prompt: better or worse than 'business as usual'?
  - b. Ways of accessing information about the child / young person?
7. What difference has it made / could it make to supporting transitions?
8. What are the main features of the videos that you feel are particularly useful (if any!)?
9. From your point of view, how would we know if these video transition tools are successful?
10. Is there anything else you'd like to add that we have not already covered?
