

My

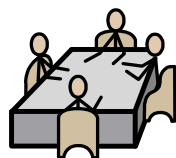

Digital Story Project

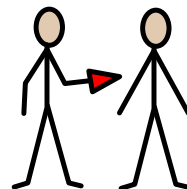

At

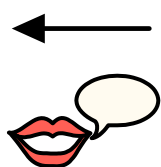

your review

meeting

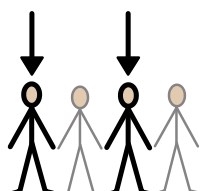

you

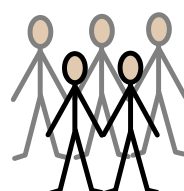

spoke

to

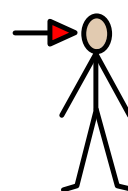

some

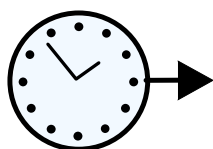

new

people

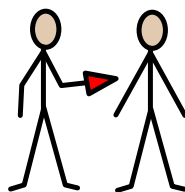

who

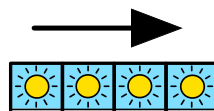

are

going to

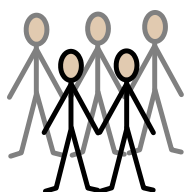

help

you

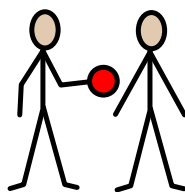

in the future.

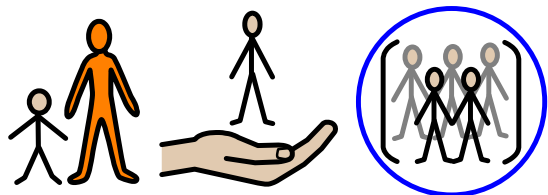

These people

are

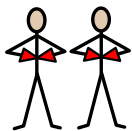

your

new

adult support team.

We

have an

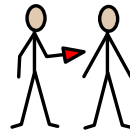

exciting

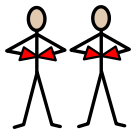

project

for

you.

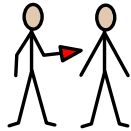

We

want to

help

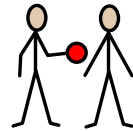

you

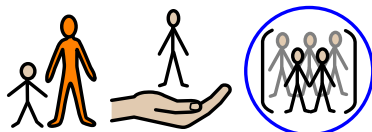

make a video

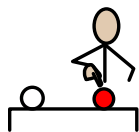

for

your

new adult support team.

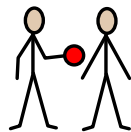

This

video

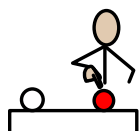

is called

your

Digital Story.

This

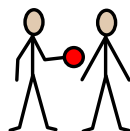

video

will

help

your

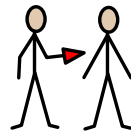

new

adult support team

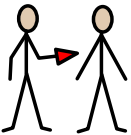

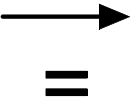

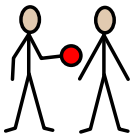

get to know

you.

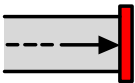

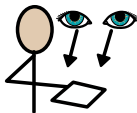

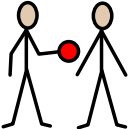

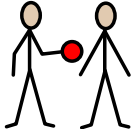

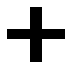

This is great!

 You will be able to video your favourite

 activities and places.

 This is great.

 When the video is finished you can show it to

 your dad, grandad, your house team and

 your new adult support team.

 Well done.

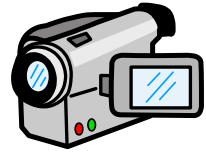

Do you

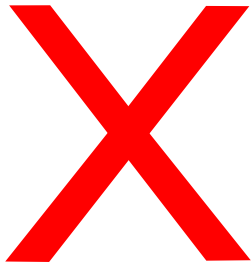

want

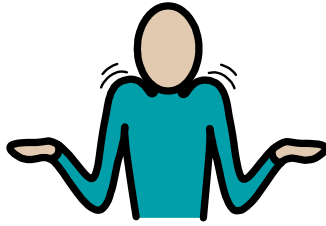

to make a

Digital Story?

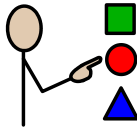

no

not sure

yes

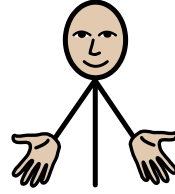

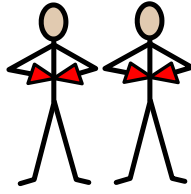

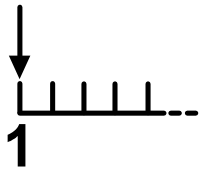

You can choose a camera.

Which camera do you want?

The first thing we need to

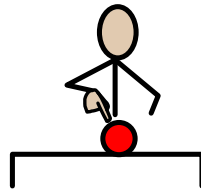

do

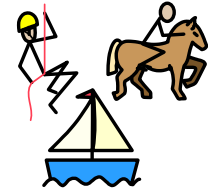

is

find out

what

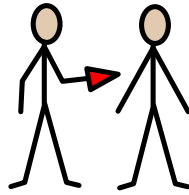

activities

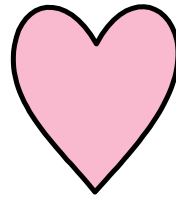

and

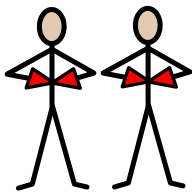

places

you

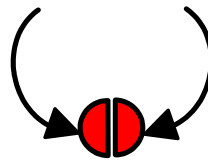

like.

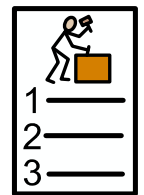

we

can

make

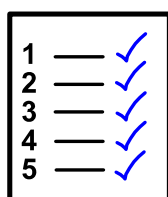

a plan

Then

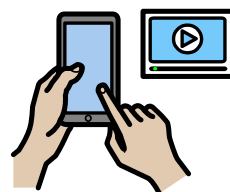

and

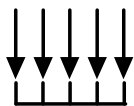

checklist

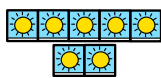

start to

take videos.

Every

week

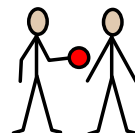

you can do

some

videoing

of

your

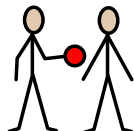

favourite

activities

with

your

staff member.

This is great.

You can

use your

checklist

to

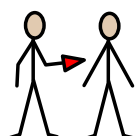

tick off

the

activities

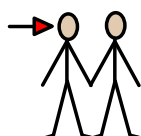

when

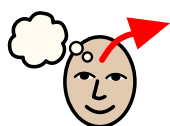

you've

videod

them.

Remember

to

read the story

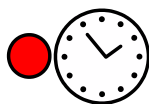

called

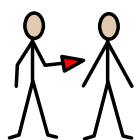

'using cameras

safely'

before

you

start to

video.

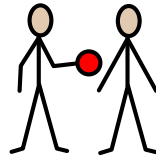

It's

ok

to

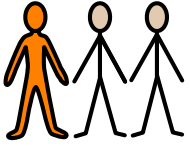

share

your

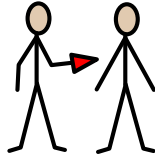

digital story

with people

that

you

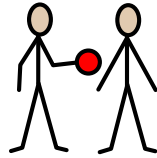

know.

The

videos

in

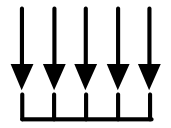

your

digital story

are

all

good

and

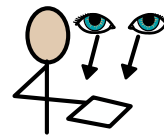

safe

activities

to

show

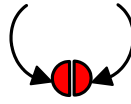

people.

Well done.

—

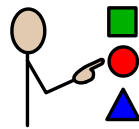

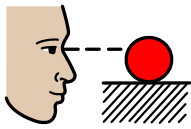

Using cameras safely - how to make the Digital Story

**1**

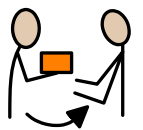

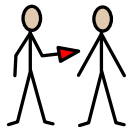

1. Collect camera from the office.

**2**

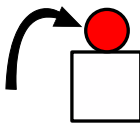

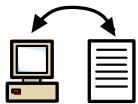

2. Look at checklist to decide what to video.

**3**

3. You or staff to take video of activity or place.

**4**

4. Upload video onto computer

**5**

5. Save video to file

**6**

6. Place camera back in office.
