

## Smartline: Continuing participants

### CONSENT FORM FOR CONTINUATION VERSION 2: November 2019

This form is to be completed on behalf of the household by a household member who can take responsibility for the household (i.e. the person named on the tenancy agreement with Coastline, or who pays the bills).

I have read the Smartline Information Pack and I understand what it is about. All my questions have been answered to my satisfaction. I understand that I can ask for more information at any stage.

Firstly, please tick (✓) the statement below in order to give your consent to continue to participate in the project. Please note that if you don't give this consent, you will not be able to continue your participate in the Smartline project.

**YES.** I consent on behalf of my household to continue to be part of the Smartline project, including continuing to have a standard set of sensors in my home. ☐

Or

**NO.** I wish to withdraw from the Smartline study, understanding that if I do so the data collected up until this point may be retained and used by the study, but my/our identity will be protected (the data will be anonymised). ☐

**This project has been reviewed and approved by the University of Exeter  
Business School Research Ethics Committee**

In providing this consent my household knows that:

*Please circle Y (yes) or N (no)*

1. I am/we are free to withdraw from the project at any time without any disadvantage Y/N
2. I consent on behalf of my household to having a guided conversation regarding my health, wellbeing and community Y/N
3. I/ we may be invited to take part in additional activities as part of the Smartline project which we are not obliged to accept Y/N
4. I/we understand that if I/we withdraw from the study, the data collected up to the point of withdrawal may be retained and used by the project, but my/our identity will be protected (the data will be anonymised) Y/N
5. The data and information I/we provide will be retained in secure storage Y/N
6. I/we will be provided with a tablet computer for the purposes of the study, through which I/we will be able to view the sensor data Y/N
7. Through the tablet we will be able to communicate with the study team (including answering short questions) Y/N
8. The tablet may also enable communication with other Coastline customers taking part in the Smartline project Y/N
9. The data collected as part of the study may be shared with researchers as part of the study, however, your identify will be protected (the data will be anonymised) Y/N
10. Our participation in the study will involve (at periodic intervals) responses to short questions, if any questions ask about topics I am not comfortable answering I am free to not answer that question Y/N
11. I/we will be offered a shopping voucher in recognition of my good will in having the sensors installed and maintained Y/N
12. The results of the project may be published but I will not be personally identified Y/N
13. Smartline might involve additional research activities I consent on behalf of my household to being contacted to ask if we would like to participate in any of these activities Y/N
