

## TOPIC LIST

- Fuel Duties
- Emission Trading Systems

## QUESTIONNAIRE

- **FUEL DUTY VERSION**

Guide Questions
One of the requirements to participate in this interview was to use the car as main transport mode. Why do you consider it is your main transport mode?
In your day to day, do you know what the costs are for every transport mode available for you?
Have you considered changing your vehicle type because of fuel prices?
Would the fuel price stop you from doing any kind of activity?
Have you considered changing where you live because of fuel prices?
If you must complain about FUEL DUTIES, what would you say?
Would you join a demonstration against FUEL DUTIES?
Are FUEL DUTIES a justifiable policy? In what cases?
Open questions about FUEL DUTY.

- **EMISSION TRADING SYSTEM VERSION**

Guide Questions
One of the requirements to participate in this interview was to use the car as main transport mode. Why do you consider it is your main transport mode?
In your day to day, do you know what the costs are for every transport mode available for you?
Have you considered changing your vehicle type because of fuel prices?
Would the fuel price stop you from doing any kind of activity?
Have you considered changing where you live because of fuel prices?
If you must complain about the EMISSION TRADING SYSTEM, what would you say?
Would you join a demonstration against an EMISSION TRADING SYSTEM? Would you do it (again) and if so, under what conditions?
