Poland - MOBILISE Research Survey

We are conducting a survey that seeks to understand what people in Poland and people from Poland living abroad (aged 18 years and older) think about their life, politics, and other important challenges facing Poland.

We are a research team, part of the MOBILISE project. This project is funded by national science foundations under the Open Research Area Funding Scheme (<https://www.mobiliseproject.com>).

And please read the specific Participant Information Sheet for this online survey in [English](#) and in [Polish](#) at <https://mobiliseproject.com/informacje-o-projekcie-mobilise-online-survey-poland/>.

Your responses will remain confidential and anonymous. The data is collected and supported in full compliance with the EU personal data protection law (GDPR) and EU law. We do not collect IP addresses or any personally identifiable data.

Reports on the study will only mention general patterns, not individual responses. Participation takes about 20 minutes. We are very interested in your frank answers.
