Age

Boy / Girl / Prefer not to say

Circle the face that best describes how much you agree with the statement.

| | |
|---|-------------------------|
| 1. The minibeasts you find in soil or under stones are quite beautiful | Agree Don't agree |
| 2. I would freak out if I ran my hand through some leaves and touched a minibeast by accident | Agree Don't agree |
| 3. There are lots of minibeasts living in the soil and dead leaves near my home | Agree Don't agree |
| 4. Minibeasts that live in the soil or fallen leaves are yucky | Agree Don't agree |
| 5. I don't feel scared if I see minibeasts in a compost heap | Agree Don't agree |
| 6. Minibeasts that live under logs are disgusting | Agree Don't agree |
| 7. I am unlikely to see the minibeasts that live in soil or fallen leaves anytime soon | Agree Don't agree |
| 8. I would feel relaxed if I found minibeasts in the soil and leaves | Agree Don't agree |
| 9. I am unlikely to find minibeasts if I dig in the soil or lift up stones or pots | Agree Don't agree |
| 10. If I found a minibeast on the ground I would let it walk on my hand | Agree Don't agree |
| 11. I find the idea of minibeasts hiding under stones or logs really scary | Agree Don't agree |
| 12. I often see the minibeasts that live on the ground in my local area | Agree Don't agree |
