

Your views about minibeasts

Name

A) Circle the face that best describes how much you agree with the statement.

1. Minibeasts that live in the soil or fallen leaves are yucky	Agree       Don't agree
2. I find the idea of minibeasts hiding under stones or logs really scary	Agree       Don't agree
3. There are lots of minibeasts living in the soil and dead leaves near my home	Agree       Don't agree
4. The minibeasts you find in soil or under stones are quite beautiful	Agree       Don't agree
5. I would feel relaxed if I found minibeasts in the soil and leaves	Agree       Don't agree
6. Minibeasts that live under logs are disgusting	Agree       Don't agree
7. I often see the minibeasts that live on the ground in my local area	Agree       Don't agree
8. I would freak out if I ran my hand through some leaves and touched a minibeast by accident	Agree       Don't agree
9. I am unlikely to find minibeasts if I dig in the soil or lift up stones or pots	Agree       Don't agree
10. If I found a minibeast on the ground I would let it walk on my hand	Agree       Don't agree
11. I don't feel scared if I see minibeasts in a compost heap	Agree       Don't agree
12. I am unlikely to see the minibeasts that live in soil or fallen leaves anytime soon	Agree       Don't agree
