

Declaration of Consent

for participation in the research study:

'MISTY migration, transformation, sustainability'

I have been informed of the study. I have had the opportunity to ask questions about the study. I have been able to think about my participation in the study, which is completely voluntary. I have the right to withdraw my consent and leave the study at any time without having to give a reason.

I am aware and agree that my personal data may be used for the study.

I am aware and agree that the research data that relate to me can be used for further scientific research both in the Netherlands and abroad, in such a way that it cannot be traced back to me.

I am aware and agree that the fully anonymous research data that relate to me can be used for further scientific research both in the Netherlands and abroad.

I agree to participate in this study.
