

Grant Number: EP/R035288/1

Sponsor: UK Research and Innovation

Project title: Centre for Energy Demand Solutions (CREDS), Expectations for Automated Vehicles

The following files have been archived:

File name	File description (Short description of content, sample size, format, any linking between different types of data, i.e. survey and interviews/focus groups)
Prof_Round1+2_ReShare_final	An SPSS file containing the responses to the first (n=25 professionals) and second (n=15 professionals) round of questions in the Delphi study for professional panellists. Participant ID codes link the responses across the two rounds
Prof_Round3_ReShare_final	A PDF file containing the responses to the third round of questions in the Delphi study for professional panellists (n=4 professionals). The questions in this round were all open, which why responses are provided as an anonymised PDF file. Participant ID codes can be used to link the professional participants to those in the first two rounds.
Public_Round1_Reshare_final	An SPSS file containing the responses to the first round of questions in the first round of questions in the Delphi study with members of the public as panellists (n=1210 individuals). Participant ID codes link the responses in this round to those in the other two rounds.
Public_Round2_Reshare_final	An SPSS file containing the responses to the second round of questions in the second round of questions in the Delphi study with members of the public as panellists (n=710 individuals). Participant ID codes link the responses in this round to those in the other two rounds.

File name	File description (Short description of content, sample size, format, any linking between different types of data, i.e. survey and interviews/focus groups)
Public_Round3_Reshare_final	An SPSS file containing the responses to the third round of questions in the third round of questions in the Delphi study with members of the public as panellists (n=496 individuals). Participant ID codes link the responses in this round to those in the other two rounds.
ExpAV_Methods_Description	A PDF file summarising the methods used in the study and offering summary descriptives of the professional and public Delphi panels
ExpAV_Professional_Delphi_Informed_Consent	A PDF file detailing the informed consent process used for the Delphi study with professional panellists
ExpAV_Professional_Delphi_Round1_Questions	A PDF file containing the questions asked in the first round of the Delphi study with professional panellists
ExpAV_Professional_Delphi_Round2_Questions	A PDF file containing the questions asked in the second round of the Delphi study with professional panellists
ExpAV_Professional_Delphi_Round3_Questions	A PDF file containing the questions asked in the third round of the Delphi study with professional panellists
ExpAV_Professional_Delphi_Round1+2_Data_Description	A PDF file detailing the variables created on the basis of the first and second round questions for professional panellists. This file explains the data in the SPSS file entitled 'Prof_Round1+2_ReShare_final'
ExpAV_Public_Delphi_Informed_Consent	A PDF file detailing the informed consent process used for the Delphi study with panellists from the general public
ExpAV_Public_Delphi_Round1_Questions	A PDF file containing the questions asked in the first round of the Delphi study with panellists from the general public
ExpAV_Public_Delphi_Round2_Questions	A PDF file containing the questions asked in the second round of the Delphi study with panellists from the general public
ExpAV_Public_Delphi_Round3_Questions	A PDF file containing the questions asked in the third round of the Delphi study with panellists from the general public

File name	File description (Short description of content, sample size, format, any linking between different types of data, i.e. survey and interviews/focus groups)
ExpAV_Public_Delphi_Round1_Data_Description	A PDF file detailing the variables created on the basis of the first round of questions for panellists from the general public. This file explains the data in the SPSS file entitled 'Public_Round1_ReShare_final'
ExpAV_Public_Delphi_Round2_Data_Description	A PDF file detailing the variables created on the basis of the second round of questions for panellists from the general public. This file explains the data in the SPSS file entitled 'Public_Round1_ReShare_final'
ExpAV_Public_Delphi_Round3_Data_Description	A PDF file detailing the variables created on the basis of the third round of questions for panellists from the general public. This file explains the data in the SPSS file entitled 'Public_Round1_ReShare_final'
