

## **Key Informant Consent Form**

### **Transitional Lived Citizenship: Practices of citizenship as political belonging among emerging diasporas in the Horn of Africa**

If you are happy to participate, please complete and sign this consent form or give your verbal consent (recorded by the interviewer).

#### **A. Consent for the Interview**

	<b>Activities</b>	<b>Initials</b>
1	I confirm that I have read the attached information sheet (version 1.3, Date 21/8/2020) for the above study and have had the opportunity to consider the information and ask questions and had these answered satisfactorily.	
2	I understand that allowing my organisation's participation in the study is voluntary and that I am free to withdraw at any time without giving a reason and without detriment to myself or my organisation. I understand that it will not be possible to remove any data from the project after it will be anonymised and forms part of the data set. I understand that 48 hours after the interview it will no longer be possible to withdraw the data. I agree to take part on this basis.	
3	I understand and agree that the interviewer will take notes during the interview session.	
4	I understand and agree that the interviewer will audio record the interview session.	
5	I agree that identifiable photos of myself can be taken during the interview.	
6	I understand that to make sure of the appropriateness of my organisation taking part in this research, with the exception of my identifiable information, anonymised data collected may be looked at by individuals from The University of Manchester or regulatory authorities. I give permission for these individuals to have access to my data.	
7	I agree that any data collected about my organisation may be published in anonymous form in academic books, reports or journals and shared with other researchers at the end of the project. This includes uploads of anonymised transcripts of the interview to a research database.	
8	I agree that the researcher may retain my organisation's details in order to provide my organisation with a summary of the findings for this study.	
9	I understand that I will discuss my organisation's activities in the interview. I agree to take part in this study.	

#### **B. Participant observation**

	<b>Activities</b>	<b>Initials</b>
1	I confirm that I have read the attached information sheet (Version 1.3; Date 21/8/2020) for the above study and have had the opportunity to consider the information and ask questions and had these answered satisfactorily.	

2	I understand and agree that the researcher will take notes during observations of the activities of my organisation such as meetings, cultural events, social/political events that my organisation organises.	
3	I understand that allowing my organisation's activities to be observed is voluntary and that I or other members of the organisation can withdraw at any time without giving a reason and without detriment to myself or the organisation. I agree to take part on this basis	
4	I agree that identifiable photos of members of my organisation can be taken by the researcher during participant observation with the consent of all present.	
5	I understand that the researcher will observe day-to-day activities of my organisation for up-to 40 days. I agree for my organisation to take part in this part of the project.	

*Note that any reported information regarding the safety of the participants or others and criminal activities will be reported to relevant authorities.*

### **Data Protection**

The personal information we collect and use to conduct this research will be processed in accordance with data protection law as explained in the Participant Information Sheet and the [Privacy Notice for Research Participants](#).

\_\_\_\_\_  
Name of Participant                      Signature                      Date

\_\_\_\_\_  
Name of the person taking consent                      Signature                      Date

One copy of this consent form stays with the participant, one copy will stay with the researcher.
