

Interview Volunteers for ITEM project (Inclusive Transition to Electric Mobility)

Thank you for your interest in taking part in an interview about electric mobility in Bristol and the social and spatial differences in who uses and benefits from it or not. The purpose of this research is to understand how we can advance and accelerate an Inclusive Transition to Electric Mobility in Bristol and partner cities Oslo, Poznan and Utrecht, in order to generate knowledge that can be compared and shared with other cities across Europe after the project.
