

CONSENT FORM: Survey

I have read the information about PISCES project, and I confirm that:

1. I agree that I know what the PISCES project is about, and I had time and opportunity to ask questions about it.

☐

2. I understand that I can refuse to participate in this research study. I know that I can leave at any point without punishment or any other consequences for me.

☐

3. I understand that I do not have to answer all the survey questions if I do not want to.

☐

4. I understand that the information about me will be kept safely in anonymised form for ten years after the project, and that only the partner researchers will be able to access it.

☐

5. I understand that the information received during the survey may be used for reports, presentations, and publications, but that my name will never be mentioned in any way (so I will remain anonymous).

☐

6. I am age 18 or above.

☐

7. I agree to take part in the project.
